

## I can leave heartprints by...

Sharing my toys with my siblings

Helping my grown up

Playing with my pet

Sending a get-well card to someone who is sick

Reaching out to a friend through video chat

Calling a family member

Thanking someone when they do something nice for you

Including others in play

Being flexible and trying others' ideas

Putting toys away

Helping to set the table

Letting someone else pick what to watch

Waiting my turn

Putting my dirty clothes in the laundry basket

Saying something kind

Asking my sibling if they want a hug when they are sad
